## 5 Powerful Ingredients

**Horsetail** — known for its anti-inflammatory, antioxidant, and antibacterial activity, it is effective in helping to remove uric acid and excess fluids. May also help strengthen the bones and tendons.

**Stinging Nettle** — this plant has been used for hundreds of years to clear toxins and reduce levels of inflammation throughout the body. It is also thought to interfere with pain signals.

**Garlic** — rich in antioxidants and compounds like sulfur, this plant helps to fight inflammation and rid the blood of toxins.

**Celery Seed** — known for its diuretic properties, celery seed helps to rid the body of excess fluids and uric acid.

**Turmeric** — a powerful antioxidant and anti-inflammatory that works to reduce free radicals and harmful enzymes in the body. This root plant is also believed to aid in digestion.

## Did You Know?

Regardless of what kind of pain you are experiencing, be it sharp, dull, numbing or tingling, it is the result of the inflammation process in your body. Inflammation can be caused by a number of factors including poor diet, sedentary lifestyle, excess sugar in the blood, or simply the natural aging process.

Our proprietary formula was developed to bring a **natural alternative** to those suffering from joint pain, muscle aches, headaches, and more.
