

Insuleen Story

Benefits to You

- Improves energy levels by helping to reduce blood sugar count
- May increase insulin production
- Can lead to weight loss through a “starch blocking” effect
- Can strengthen the immune system and help to heal wounds

Supplement Facts

Serving Size: 1 capsule
Servings Per Container: 60

	Amt Per Serving	%DV*
Zinc (as Zinc Bisglycinate)	0.4 mg	3.64%
Chromium (as Chromium Picolinate)	60 mcg	171.43%
White Kidney Bean Extract (Bean)	500 mg	*
Gymnema sylvestre (25% gymnemic Acid)	100 mg	*
Vanadyl Sulfate	3 mg	*
*Percent Daily Value "DV" not established		
Other Ingredients: Hydroxypropyl Methylcellulose, Rice Flour, Magnesium Stearate		

Active Ingredients

Zinc — a very important trace mineral that can help to support several bodily functions such as the healing of wounds, and proper insulin and thyroid function.

Chromium — is a mineral that helps to improve the body’s ability to utilize insulin, aiding the process of moving sugar out of the blood stream and into the cells for energy.

White Kidney Bean — may help to reduce blood sugar levels and promote weight loss by acting as a “starch blocker.”

Gymnema Sylvestre — is known to help control blood sugar levels, reduce cravings, and may help to stimulate insulin production in the pancreas.

Vanadyl Sulfate — supports a healthy glucose metabolism and helps to minimize insulin resistance. This mineral can also improve the performance of insulin within the body.

Did You Know?

Every time we eat, our pancreas releases a hormone called insulin. Insulin plays a vital role in regulating the body’s level of blood glucose (sugar). Glucose is a major energy source for all of the cells in our body.

Several lifestyle issues such as excess body fat, lack of exercise and sleep, and consumption of added sugars can lead to a condition known as insulin resistance. This condition prevents glucose from being transported out of the bloodstream and into the cells. The result is a dangerous buildup of glucose in the blood, better known as “elevated blood sugar.”

INSULEEN contains an exclusive formula of botanicals and minerals that work together to help keep your blood sugar levels healthy... **the natural way!**
